**4701 Highway 61 North**

**White Bear Lake, MN 55110**

**Manipulating the Right to Vote:  
Redistricting, Gerrymandering,  
Voter ID and More**

***Is Fair Representation in Danger?  
Justice Anderson is an experienced jurist and expert on national and state politics. He is deeply interested in voting and the issues of voter manipulation and restriction. He served as Associate Supreme Court Justice during two census redistricting cycles, and is uniquely positioned to offer insights on how the 2018 election results may impact MN's upcoming redistricting process and fair representation.***
